

# **Point of Sale (POS) Services**

## **Ready-Made and cloud-based**

### **Software Solutions**

#### **Booking System Package**

##### **1 – Manage Bookings**

Allow businesses like spas, wellness centers, and car rental services to manage real-time bookings and appointment scheduling.

##### **2 – Manage Products and Services**

Add and update services or items offered (e.g., spa treatments, car models, salon services).

##### **3 – Payment Management**

Integrated and secure payment processing for bookings and on-site payments.

##### **4 – Generate Quotations and Invoices**

Auto-generate branded quotes and invoices, shareable via email or printable.

##### **5 – Stock Management**

Track inventory of service-related products (e.g., oils, accessories, rental supplies).
