

Scope of Work: Facebook Management Services

Representatives:

Junko.mu

1. Project Overview

Junko.mu will manage and enhance the Facebook presence of businesses. The goal is to strengthen branding, increase visibility, improve engagement, and generate meaningful interactions that drive inquiries and conversions.

Our Facebook Management system is built to provide businesses with consistent, high-quality social media activity and the flexibility to customise their plan based on their goals.

2. Key Objectives

- Increase page visibility and brand recognition on Facebook
- Consistently engage with the target audience through quality content
- Drive traffic, leads, and inquiries via optimized posting and paid campaigns
- Maintain a professional, up-to-date Facebook presence
- Establish credibility through a clean, fully optimized business page

3. Services Provided

Our Facebook Management Services follow a flexible service structure. Businesses begin with our **Basic Facebook Management Package** and then add optional upgrades depending on their desired level of visibility and activity.

Basic Facebook Management Package

Price: Rs 9,990 per month

1. Artwork Creation (4 artworks per month)

- Creation of 4 custom-designed visuals
- Consistent branding (colours, style, layout)
- Optimized for Facebook's recommended dimensions

2. Posting & Publishing

- Scheduling and publishing of the 4 artworks
- Writing short, impactful captions
- Adding relevant hashtags (if applicable)
- Ensuring proper readability, layout, and call-to-action
- Quality assurance: spelling, design check, formatting
- Group sharing: **10 groups per post**

3. 1 Paid Advertising Campaign (Setup & Basic Management)

- Setting up **one paid campaign per month**
- Choosing the right objective (reach, engagement, traffic, etc.)
- Basic monitoring during the campaign period

4. Page Management – Creation or Clean-Up
